### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, amend the first paragraph on page 1 to read:

--This is a divisional of U.S. Application No. 10/042,086, filed January 8, 2002, now issued as U.S. Patent No. 6,731,786; which is a continuation of U.S. Application No. 08/814,978, filed March 11, 1997, now issued as U.S. Patent No. 6,363,164 which is a complete application claiming the benefit of U.S. Application No. 60/031,604, filed November 27, 1996, and is a continuation-in-part of U.S. Application No. 08/664,262, filed May 13, 1996, now issued as U.S. Patent No. 5,982,918.--

2. The following is an examiner's statement of reasons for allowance: As pointed out by applicant in the response filed 18 November 2005, none of the prior art suggests imaging check documents transported with their narrow dimension (i.e., width) parallel to the direction of transport, as variously required by each of the independent claims. Claims 53 and 63, as now amended require such imaging of both bills and such checks, so that the prior art also fails to suggest these claims, as amended.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Claims 1-11, 12-23, 24, 25-60, 62-69 and 71 (now renumbered for issue as 1-11, 13-24, 12, 25-60, 61-68 and 69, respectively) are allowed.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Johns whose telephone number is (571) 272-7391. The examiner is normally available Monday through Friday, at least during the hours of 9:00 am to 3:00 pm Eastern Time.
